

Nexora Technologies Limited

Q2 FY26 Financial Results Press Release

NSE: NEXORA | BSE: 543210

Bengaluru, India, October 18, 2026 — Nexora Technologies Limited today announced its financial results for the second quarter of fiscal year 2026 (Q2 FY26), ended September 30, 2026.

Financial Highlights

Consolidated revenue for Q2 FY26 stood at Rs. 4,850 crore, representing a growth of 14.2% year-over-year compared to Rs. 4,247 crore in Q2 FY25. Net profit for the quarter came in at Rs. 712 crore, up 9.8% year-over-year from Rs. 648 crore in the same quarter last year. Net profit margin for the quarter was 14.7%, compared to 15.3% in Q2 FY25.

Diluted earnings per share (EPS) for the quarter was Rs. 18.65, an increase of 9.1% compared to Rs. 17.10 in Q2 FY25.

Management Commentary

"Our Q2 performance came in above analyst estimates, driven primarily by strong deal wins in our BFSI and healthcare verticals," said Ananya Krishnan, Chief Executive Officer. "Revenue growth accelerated for the third consecutive quarter, and we remain confident in our full-year guidance."

Outlook

The company has raised its full-year FY26 revenue growth guidance to a range of 13-15%, up from the previously communicated range of 11-13%, citing strong order book visibility and improved client spending in North America and Europe.

Key Risks

Management flagged continued macroeconomic uncertainty in Europe and currency volatility as factors that could impact near-term margins. The company also noted elevated attrition in certain technology talent segments as a potential cost pressure in coming quarters.

Results vs. Estimates

The reported revenue and EPS figures were both above the consensus analyst estimates of Rs. 4,690 crore revenue and Rs. 17.80 EPS, marking a beat for the quarter.
